OUTREACH PRAYER FOCUS

SEPTEMBER 2021

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature—His goodness, His wisdom, and His power—then we would never disobey God.” And it would stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

SEPTEMBER 1 **INTERNATIONAL**

- Pray for renewed strength for DPM staff and outreach workers worldwide as they continue to press on in the face of the new virus variant that is spreading.
- Some staff, their family members and close friends have been affected. Pray for God’s protection for all and healing for those who need it.

Every day, I am using the Proclamation Cards to overcome my depression and break curses over my life and turn them into blessings. They are so powerful and I am really changed through them. I gain confidence through these prayers. I have learned to trust Jesus and depend completely on Him. Thank you so, so much, brother Derek for your obedience to God."

SEPTEMBER 19 AUSTRALIA

- Someone sent a beautiful prayer of thanks for Derek and how God used him. Here is an excerpt that ends with a prayer request:

“Heavenly Father, thank you for the life of Derek Prince and the blessing he has been to Your people all over the world. Thank you for using him to equip Your people with supernatural power consistent with Your Word and to expand Your Kingdom. We need teaching that is not watered down with religion and church culture of no spiritual value. Please expand Derek Prince Ministries in Australia to fulfil that need so our country can be transformed into everything you want Australia to be.”

SEPTEMBER 20 CHINA

- There is much pressure on young people in China to keep them from turning to Jesus. However, our Proclamation Cards for children are in demand. PRAISE REPORT - China

- A long-time co-worker shared about a sister who received Derek’s teaching more than ten years ago. She was a student at university in Beijing and received several boxes of Derek’s books that our co-worker sent to her when she returned home. The books benefited her and her small group greatly. Recently, she found our Chinese website and downloaded other books. She was thrilled to reconnect with our co-worker on WeChat after many years and asked for more material.
- We are so grateful for the China team that God has raised up for this time. Although there have been shutdowns by the authorities, the IT workers have managed to keep Derek’s teachings available online by using substitute servers so that people in China can still access them. Our contacts in China are also eager to be involved to help provide Derek’s teaching resources despite the pressure. Some local churches are expressing their gratitude by giving to the ministry.

OUTREACH REPORT - Cambodia

- Recently the DPM-Cambodia team organised Covid-19 relief work in Kampong Chhnang Province and Kampong Cham Province, with 60 and 100 pastors respectively. They delivered food supplies to support their families and DPM materials for churches to give out to their communities to help keep their congregations close to our Lord and enable them to proclaim His Word. They had a great time of fellowship, encouraging and praying for each other.
- *“My name is Pastor Theara. I would like to express my deep gratitude to DPM–Cambodia, which is providing food to those of us in need. I have five children in my family and, during the pandemic, we have had no support or income. We have been shown great love by the Lord providing us with food in this difficult time. May the Lord bless you.”*
- *“I am Pastor Youn Meak from Tlork Rolaeng Hope church and I am also a farmer. In 2010, God moved in my heart to start worship at my home. We got a lot of persecution from the village chief and people around us, including my relatives. They rejected my family and my children at school. Someone destroyed my rice fields and crops because they hated my family who believe in Jesus. My family has kept trusting the Lord and, after a few years, my brother and his family accepted Jesus, and more people opened their hearts to the Gospel. During the Covid-19 outbreak, we have had challenges with finances. Some of the factories closed down, so my church members lost their jobs. We are not allowed to gather to worship the Lord together anymore. Thank you for providing us with food. Thank you for feeding us, not just physically, but also spiritually. I love the book ‘God’s Medicine Bottle’. I believe that God is working miraculously in my family.”*
