OUTREACH PRAYER FOCUS

NOVEMBER 2021

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” And it would stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

NOVEMBER 1 **INTERNATIONAL**

- Thank God for the many open doors to make disciples of Jesus Christ through the Bible teaching of Derek Prince. Thank God for His continued anointing, blessing and provision.
- Pray for DPM staff worldwide as they face various challenges in their areas of the world – economic, the pandemic, needed workers, health issues, family situations, etc.

Middle East

NOVEMBER 2 **JORDAN**

- Pray for the Lord’s wisdom regarding travel and outreach to Jordan to get Derek’s teaching to the Jordanian people and also to Syrian refugees at the border (Muslims and Christians).

OUTREACH REPORT – EGYPT

- We praise God for the translation and dubbing of 57 English episodes of Derek’s sermons into the Kabyle language, which have been posted on a Kabyle YouTube site. This is a Berber language spoken by around five to seven million people worldwide, the majority in Algeria.
- The translation and audio recording of the book *You Matter to God* is now completed.

Our team recently received a powerful testimony from Algeria on our Arabic Facebook page:

Imane is 42 years old. She was a fanatical Muslim until she had a problem with her heart and doctors told her that she would pass away in 10 days. She was devastated when she heard about her fatal condition. In those 10 days, Jesus appeared to her in a dream, not just once but three times. However, she ignored it and read the Quran.

At some point, someone told her husband that Jesus did a miracle for his daughter and that he too should go to a church and pray for his wife. Her husband asked his friend to give him a Bible. Imane agreed to go to the church with her husband but she also made it very clear to him that she would not change her beliefs. However, Imane started watching Christian channels and, after a lot of inner conflicts, she finally believed and accepted Jesus into her life. She also started to tell her friends about Jesus. Her testimony was the reason that three of her friends have now joined us in our online discipleship groups.

NOVEMBER 3 **EGYPT**

- Praise God for the completion of the dubbing of 12 episodes from *The Roman Pilgrimage*. These have now been uploaded to YouTube. Pray for this teaching to help meet the spiritual needs of many people. Also pray for the dubbing of the remaining 8 episodes.

Anna is studying at the Derek Prince Online Bible School. She said her journey in the Bible school for more than two years was like exploring the unknown country of life in the Spirit. She wrote: *"It's great that this course is available online. In any place and at any time, I can take my device and study. I repeat topics, reread my answers to questions or repeat key verses. It is a constant inspiration and support for regular study. I'm so grateful to have this opportunity to discover the truth.*

Many things I only knew at the level of knowledge, at the level of reason, and I had not matured to practical application and personal knowledge. Now I am learning, and my efforts are not in vain. You know, when you have tasted the good Word of God, you don't want to lose such a treasure!"
