TESTIMONY – Cambodia

“I work in a Baptist church and thank God I have received the book, Praying for the Government. My village and I used to pray only for our village and for the youth; we never thought to pray for the government. Prayer is very important so that we have a good government – it will make it easier for us to spread the Gospel. Now I will start to instruct my church members that they need to pray for the government. We can be standing in the gap with our prayers for God to heal our land. We want to see our government healed and all the people accept Jesus. Thank you and God bless you.”

- Elsie and Danny just completed a seven-day residential training seminar for Tamil-speaking leaders at their home base (Trichy, Tamil Nadu). A senior lady, Helena, phoned to find out our location and was surprised to learn she lived only a few kilometres away from the office. Recently, she visited a hospice bookshop and found *Appointment in Jerusalem* which she is enjoying reading. It was printed many years ago and included our phone number. She found out it was still the same! She was so excited to hear what is happening with Derek's teaching in this region and to know how much is available. She said she can't wait to get to our office and shop to buy more material! She shared that, some years ago, she had lung cancer and the Lord miraculously healed her. The doctors were not convinced so did more biopsies on both lungs. When discharged, she was given Derek's book, *God's Medicine Bottle*. She is still in good health today!

FEBRUARY 2022

“Ultimately, the real basis for most of our problems is mistrust of the goodness of God. Therefore, when we encounter the difficulties of life, we must begin with the understanding that much of God and His ways are beyond our finding out. You must trust in God’s goodness.” —Derek Prince (Why Bad Things Happen to God’s People)
